

HF FOG 65/130 - BATTERY

ITEM # _____

MODEL # HF FOG65 & HF FOG130

Features

- Rechargeable Battery
- Reversible Motor/Pump
- 65 lb. & 130 lb. Capacity
- Completely self contained unit
- Easily moveable
- No messy electrical cord.
- No lifting

Description

All Filtrator F.O.G. units are completely self-contained into one compact mobile unit. The container, handle and Power Unit are stainless steel. All other exterior surfaces are nickel-plated steel. The pump is specially machined to handle high temperature edible oils. The specially fabricated hose is designed for the same purpose with embedded wire reinforcement. The screen nozzle assembly can be used on almost every fryer, gas or electric. The pump and motor are reversible.

Electrical Specifications

Motor: 12 V, 2.3 AMP DC
